YMCA Camp Lincoln offers traditional and new program activities that are age and developmentally appropriate for our 3—15 year old campers. Please indicate your level of interest and ability to lead &/or support the following program areas. Because of the diversity in facilities, staff members and camper populations, not all programs will be offered during all or part of the summer.

Mark each program area with a number based on the following:

- 1**—I can confidently lead and develop new ideas to keep this program interesting throughout the summer and I can be a resource to others to keep this program area interesting.
- 2**—I have knowledge in this area and can lead it with additional resources and guidance.
- 3**—I have limited interest in this program and will help if you need me to.
