What are some of your memorable (good and bad) experiences from the summer of 2010?

YMCA Camp Lincoln offers traditional and new program activities that are age and developmentally appropriate for our 5—15 year old campers. Please indicate your level of interest and ability to lead &/or support the following program areas. If there are additional programs you are interested in leading, list them below.

Mark each program area with a number based on the following:

2—I have knowledge in this area and can lead it with additional resources and guidance.

3—I have limited interest in this program, but will help when you need me.
